Job Description: Production Operator Cala Health, Inc.

About Cala Health

Cala Health is a bioelectronic medicine company transforming the standard of care for chronic disease. The company's wearable neuromodulation therapies merge innovations in neuroscience and technology to deliver individualized peripheral nerve stimulation, and its vertically integrated commercial model is reshaping the delivery of prescription therapies. Cala Health's lead product, Cala Trio™, is the only non-invasive prescription therapy for essential tremor. New therapies are under development in neurology, cardiology, and psychiatry. Cala Health is headquartered in the San Francisco Bay Area and backed by leading investors in both healthcare and technology. For more information, visit CalaHealth.com.

The Opportunity

Cala Health is seeking a Production Operator to join our growing team. The role will report to the Director of Operations.

Specific Responsibilities also include

- Execute MPis, WIs, etc. as needed to support Production objectives.
- Drive continuous improvement by providing feedback on current processes.
- Follow and train others in Good Documentation Practices and Good Manufacturing Processes.
- Follow all corporate, regulatory, safety and production policies and procedures.
- Maintain an excellent attendance record.
- Perform other duties as assigned

Desired Skills and Experience

We are looking for a Production Operator to support Manufacturing/Production in a dynamic, fast-paced startup environment, exemplified by:

- High school diploma or equivalent
- 3 years of medical device assembly experience (ISO 13485)
- Experience soldering electronics / circuit board materials
- Experience working with computerized/automated systems
- Excellent hand-eye coordination and manual dexterity

Cala Health believes our success is based on diversity of people, teams and thinking. We offer all employees the tools, training and mentoring they need to succeed. Our selection process is driven by the key requirements for the role rather than bias or discrimination on the basis of a candidate's sex, gender identity, age, marital status, veteran status, non-job-related disability/handicap or medical condition, family status, sexual orientation, religion, color, ethnicity, race or any other legally protected classification.
